YOU'RE SUPPORT IS APPRECIATED!

The Martin Area Chamber of commerce appreciates your past support of the Chamber and we're asking for your continued support in an effort to strengthen our overall business economy and help make the region around Martin and Bennett County a better business environment for everyone.

We believe there is tremendous strength in numbers and one of our goals is to increase membership. The Chamber relies mainly on membership dues to promote and encourage individuals to do business in our community. You and your business are very important to the Chamber.

WHY SHOULD YOU CONTINUE TO SUPPORT

1. A large group gives us strength in numbers.
2. Exposure – Your name is listed on the Chamber website and you have a direct link to your Personal webpage if you have one. A lot of people search the web for information about the Martin area and the Chamber would like Martin to look attractive to prospective Business entrepreneurs and visitors.
3. Use of the Chamber Facebook page for events. Promotional opportunities for your business.
4. Chamber bucks are purchased by anyone but can only be spent at Chamber member Businesses.
5. Affiliation and association – You and your business will be associated with positive community members and events throughout the year.
6. Working with community events is enjoyable and rewarding. It is a cheap way to advertise in front of existing and potentially new customers.

HOW MUCH WILL IT COST?

Annual Membership Investment:

Business Membership – 1 yr. - \$60 for up to two employees, owners or managers, plus \$10 per employee after that up to a maximum of \$100.
